

FISCAL NOTE

SB 1622 - HB 1800

April 11, 2003

SUMMARY OF BILL: Requires the Department of Transportation to maintain a web page that would include the following information:

- Construction locations on all interstates
- A map, to be updated weekly, showing the locations of constructions and possible delays
- A link to the most current highway project list
- A link to the departments of transportation in Kentucky, Missouri, Arkansas, Mississippi, Alabama, Georgia, North Carolina, Virginia, and Utah.
- An interactive map of businesses listed on specific service signs at each exit
- A list, to be updated weekly, of all past due construction projects and the reason for the delay
- Any other information deemed necessary by the department

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$75,000/Highway Fund

Estimate assumes an increase in state expenditures of approximately \$75,000 from the Highway Fund to maintain the service signs interactive map and the past due construction list.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
